

# JOINING TOGETHER MAKING A DIFFERENCE

TENNESSEE EMPLOYEES  
CHARITABLE CAMPAIGN

2008

Dear Fellow State Employees,

I am honored to serve as Chair of the 2008 Tennessee Employees Charitable Campaign and to extend my support to this year's campaign.

As you consider a pledge to these worthy charities, I ask you to remember the Tennesseans that these charities serve need your generosity now more than ever. I am heartened by the generosity and volunteerism of state employees over the past several years. During last year's campaign, 7,672 state employees pledged \$760,814 to charitable organizations, resulting in an increase of more than 16 percent over the previous year. I hope that even as we face these tough economic times, our trend of generous giving will continue. Through participation in the 2007 campaign, you helped meet the needs of your fellow citizens. Your contributions resulted in a positive impact on the lives of Tennesseans by providing assistance in the areas of health and medical research, environmental and social issues, and human services needs. As you consider a pledge for 2008, I ask that you bear in mind how you can touch the life of others through your generosity.

By supporting one of the many charitable organizations represented in this brochure, you can continue the spirit of volunteerism for which we are known with a one-time or monthly donation in the coming year. If every state employee who did not participate in last year's campaign considered the "Buck-A-Week" option outlined on the pledge form, our combined efforts would provide more than \$2,000,000 in donations to these worthy charities.

The 2008 Tennessee Employees Charitable Campaign begins October 20, 2008, and extends through November 14, 2008. I hope that you will join me in continuing to support this campaign. We can represent our proud heritage and reach out to improve our communities in powerful ways by "Joining Together – Making A Difference."

Warmest regards,

A handwritten signature in black ink that reads "Phil Bredesen".

*Everyone deserves opportunities to have a good life: a quality education that leads to a stable job, enough income to support a family through retirement, and good health. That's why United Way's work is focused on the building blocks for a good life: 1) Education – helping children and youth achieve their potential, 2) Income – promoting financial stability and independence, and 3) Health – improving people's health. United Way's goal is to create long-lasting changes by addressing the underlying causes of these problems. "Living United" means being a part of the change.
